

Education Animals for Zoo Atlanta Education Programs

Zoo Atlanta offers many exciting programs on and off grounds that use a special collection of education animals. These animals include:

Reptiles: snake
 lizard
 skink
 turtle
 tortoise

Amphibians: frog

Mammals: chinchilla
 rabbit
 three-banded armadillo
 African pygmy hedgehog
 rat

Insects: millipede
 tarantula

These animals have been specifically selected as education program animals because of their mobility, tractability and their relevance to the programs. When booking programs, you are welcome to make special requests; however, requests cannot be guaranteed.
