

GIFT PACKS 2009

A trip to the Zoo just isn't complete without a stop in the Zoo Shop! Teachers and students are always welcome in any of our stores. Zoo Atlanta does, however, offer a souvenir Gift Pack as a convenience to teachers and chaperones. It is the easy way for every student to take home a Zoo souvenir.

Gift Packs contain the following (items maybe substituted due to availability). Price **does not** include tax.

\$5.00 Packs: Pencil, coloring book, fan, mask, yoyo, ruler, snake, paddle ball, sticky zoo animal, game, inflatable toy

ALL PROCEEDS FROM ZOO STORES GO TO SUPPORT THE ANIMALS IN OUR CARE.

All Gift Packs are discounted. If items were purchased individually, prices would be higher than Gift Pack price. All Gift Packs must be picked up at the Zoo Shop and paid for together. **Schools that wish to purchase tax exempt Gift Packs must present a copy of tax exemption/resale certificate and pay with school check or school credit card . Tax-exempt purchases may not be paid with cash, personal check or personal charge. If you are not a tax-exempt institution, you must pay sales tax (8%).**

To order Gift Packs for your field trip please fax or mail this form to the zoo prior to your visit. Ordering in advance assures that your packs will be ready when you are. Pay when you pick up Gift Packs at the Zoo Shop. Make checks payable to Zoo Atlanta or use one of the following credit cards: Visa, MasterCard, American Express, or Discover.
